

TO DETOXYFY AND MOISTURIZE INTENSELY YOUR SKIN

SKIN DETOX NATURAL PEEL-OFF GELS WITH ACTIVATED CARBON

Detoxifying / Purifying masks

The first cosmetic skincare product,
before your aesthetic protocol

The Alginate Peel-Off Gels of the Skin Detox Range with activated carbon absorb and detoxify intensely the skin from environmental micro-pollutants and toxins.

Its original Peel-Off Gels galenic form is hyper-hydrating.

- **Very high absorption capacity.**
- **Powerful purifying and detoxifying** properties.

For stress and pollution-sensitive skins, asphyxiated oily skins, cutaneous imbalance, dull complexion, premature ageing due to noxiousness of urban life.

Treatment of psycho-emotional stress with relaxing and normalizing essential oils.

- ☞ Peel-Off Gels with activated carbon and Mentha Arvensis essential oil, toning and energizing.
- ☞ Peel-Off Gels with activated carbon and Pinus Sylvestris essential oil, anti-stress and relaxing.
- ☞ And also: fine lavender essential oil, Neroli, Geranium, lemon verbena, sweet orange, grapefruit...

ACTIVE COSMETICS

PROTOCOL

- Pour the sachet of alginate «neutral base» and the stick of «actives» into a bowl.
- Mix the 2 gels for about 1 min using a spatula.
- Apply the Peel-off Gel on the skin in an even layer, using a spatula, a brush or your fingers.
- Leave the Peel-off Gel to jellify for 5-7 min, and to work during the skincare.
- Remove it in one piece, like a second skin!

The skin is detoxified, purified and hydrated.
